Inspiring Holiday Leadership Quotes

During this time of year, whether we're reflecting on the past year, or thinking about the holiday season, or thinking about what lies ahead in the coming year, it's always nice to take some words of wisdom and inspiration from others. Sometimes a well-timed quote can be all it takes to give us the spark we need.

Here are some of our favourites about leadership:

Don't tell people how to do things. Tell them what to do and let them surprise you with their results.

- George S. Patton Jr.

Leadership and learning are indispensable to each other.

- John Fitzgerald Kennedy

Growth and comfort do not coexist.

- Ginni Rometty

A coach is someone who can give correction without causing resentment.

- John Wooden

It's no surprise that optimistic athletes, managers and teams do better. What's interesting is where they do better. It's in coming back from defeat and acting in the clutch.

- Martin Seligman

As the holiday season approaches, is there someone who has inspired or influenced you in a positive way? Perhaps a nice gift to give this year would be to reach out to those people who have influenced your life and say a simple "Thank you".
