Building A Life That Matters – Career Planning with the Strong Interest Inventory®

Faced with rapidly changing, often confusing occupational options, your clients need solid, state-of-the-art career counselling advice. The Strong Interest Inventory® instrument is the most respected and widely used career planning instrument in the world. The Strong enables clients to discover their interests and chart a plan of action for achieving a satisfying life of work and leisure.

For nearly 80 years, the Strong has empowered individuals – from high school and college students to adults in career transition – in their search for a rich and fulfilling career. Newly revised, reflecting all the latest changes in the world of work and study, this authoritative assessment is more powerful than ever:

- More focus on business and technology careers
- Norm group representative of ethnic, racial, and demographic workforce diversity
- Updated General Occupational Themes
- Expanded Basic Interest Scales, Occupational Scales, and Personal Style Scales
- User-friendly, well-organized, highly intuitive results presentation

The Strong generates an in-depth assessment of your clients’ interests among a broad range of occupations, work and leisure activities, and educational subjects. To reveal your clients’ interest patterns, it presents results on a variety of complementary themes and scales:

- The General Occupational Themes map out broad interest patterns to describe personalities and preferred work environments
- The Basic Interest Scales provide more specific information about your clients’ areas of interest
- The Occupational Scales relate your clients’ interest patterns to those of satisfied workers within the occupation
- The Personal Style Scales describe your clients’ preferred style of working, learning, leading, risk taking, and team participation
