

PSYCHOMETRICS CANADA SELECTED FOR 2020 HR REPORTER READERS' CHOICE AWARD

5TH straight year that the company is recognized by readers in the Employee Assessment category

JULY 14, 2020 - 08:00 AM

FOR IMMEDIATE RELEASE

Edmonton, Alberta: This month, Psychometrics Canada, a leader in pre-employment and talent measurement, was selected for the Employee Assessment category of the 2020 HR Report Readers' Choice Awards. This was the fifth consecutive year that the company was chosen by the magazine's readership.

"Today's leading organizations are looking to use data to remove decision bias and improve individual/team performance and diversity. We have been assisting organizations to address these people challenges for over 40 years," said Mark Fitzsimmons, President of Psychometrics Canada. "To be recognized by human resources professionals across Canada, five years in a row, is a great honor.

Canadian HR Reporter initiated the Readers' Choice Awards in 2016. Each year tens of thousands of votes are cast by members of the human resource community to select favourite suppliers.
